## Secretary Chase's New Policy.

The effect of S cretary Chase's new sion-is already being felt. In three days of last week, he withdrew from circulation \$20,000,000 of the five per cent legal tenders; and it is his intention to continue the process, as rapidly as possible, and in his work he is being aided by capitalists, and the people, who are ready to take his loans, always offering more than he needs. The Secrelary is about to visit New York again, stud we have no doubt but will speedily effect an arragement which will counter act the mischievous consequences of speculation, particularly of that upon which all others are founded, speculation in gold a bib tal massa

The very announcement of the change of policy had an immediate effection the gold market. Not only did reighbor, it prevent the premium from rising, but it reduced it from 102] to about 96, and by the struggles of holders, who are Do not degenerate into a common scold very much like the man who said he endeavoring to avoid losses which would be ruinous to them.
